Topological property
Path/Joined
Path-connected
Connected
surjective W → {0,1}
open connected in R^n
no partition
Partition
open A|B
eq. relation (points)
open subset = , X
Interval
a < x < z < y < b
In R
Connected subset
=
Non-empty intervals
pre-image
topological property
Continuity
presrves
Connectedness
Homeomorphic
connected ← → connected
connected + continuity
= G_f connected
Intermediate
Value Thm
Prop 2.1.17
Topologist's Sine Curve
